Re: **Ex Parte Notice**

Petition of Nebraska Public Service Commission and Kansas Corporation
Commission for Declaratory Ruling, WC Docket No. 06-122; Petition of
Global NAPS, Inc. for Declaratory Ruling, WC Docket No. 10-60

Dear Ms. Dortch:

On May 18, 2010, Paula Boyd and Kevin Minsky of Microsoft, Brendan Kasper of Vonage, Caitlin Clark-Zigmond of New Global Telecom, Glenn Richards, Executive Director and Counsel for the VON Coalition, and Amy Wolverton of T-Mobile, met with Christine D. Kurth, Policy Director and Wireline Counsel for Commissioner Robert McDowell. On May 19, 2010, Ms. Boyd, Mr. Minsky, Mr. Richards, Ms. Clark-Zigmond, Mr. Kasper and Ms. Wolverton met with Angela Kronenberg, Acting Legal Advisor, Wireline, for Commissioner Mignon Clyburn; Priya Aiyar, Legal Advisor for Wireline Competition and International Issues, for Chairman Julius Genachowski; and Sharon Gillett, Alex Minard, Jennifer Prime, Albert Lewis, Katie King, Carol Matthey, William Dever, Marcus Maher, and Donald Stockdale, all from the Wireline Competition Bureau. Ms. Boyd, Ms. Clark-Zigmond, Mr. Minsky, Mr. Kasper and Mr. Richards also met with Jennifer Schneider, Broadband, Wireline and Universal Service Legal Advisor for Commissioner Copps.

During the meetings, the members of the VON Coalition discussed investment and innovation in IP-enabled communications market and the important role of the VON member companies in driving broadband adoption. In support of the national transition to broadband networks and IP-enabled applications, the members discussed the Coalition's positions in each of the proceedings listed above, consistent with VON's comments. In particular, the VON Coalition explained how rejection of the Kansas-Nebraska Petition and grant of the Global NAPS Petition would be consistent with the FCC's expressed policy for unregulated Internet applications and its vision for broadband adoption and a unified intercarrier compensation system, as expressed in the National Broadband Plan.
